

## Pat Hodgetts

Nominated March 2018

Nomination received from TEERA for an honorary membership to be awarded to Pat Hodgetts.

### **Rationale**

The nomination is to acknowledge that Pat has been a long-time supporter of Endurance in Australia.

Pat has vetted at 29 Quilty events and other rides, too numerous to count in a very long career.

Pat has also been a delegate to AERA for many years, a member of the vet panel, involved heavily in horse welfare, secretary to TEERA and a TEERA SMC member for many years. She has also contributed heavily to Tom Quilty Committees in Tasmania.

TEERA SMC believe that her contributions to our sport have gone above and beyond and that she truly deserving of honorary AERA membership.

Mark Dunn further noted that Pat does as much at a State level as she does at National level
